

## Piano Moving Checklist

Your piano is one of the heaviest items to move in/out of your home, but it is also one of the most fragile. There are a few things you need to consider when preparing to move your piano. Follow this checklist for a smooth piano moving experience.

- Note your piano's condition.
- Keep your piano indoors.
- Make sure areas the moving team will need to go through are clear.
- Be available an hour before and an hour after your scheduled appointment time.
- When canceling there is typically a \$10 processing fee to refund your deposit.
- Tipping is at the sole discretion of our customers; it is in no way required or obligatory.
